

ABUS 10KS110

Tootekirjeldus

Security chains from ABUS are ideal for securing high value items that cannot be locked with an ordinary padlock. They are available in pre-cut or custom lengths to meet your individual needs. They also feature a nylon sleeve to prevent paint and chrome from being scratched or damaged.

Features:

- Special hardened steel safety chain
- Maximum safety against all types of aggressive attacks
- Fabric sleeve prevents paint and chrome from being damaged

Specifications:

- Weight: 2510g
- Chain thickness: 10mm
- Chain length: 110cm
