

Võtmete lõikamismasin Keyline 203

Tootekirjeldus

- The 203 model is a key cutting machine for bit, double-bit, pipe and pump keys.
- The machine's cast iron structure can eliminate any vibration, thus ensuring absence of noise and duration.
- The clamps, with their centring devices, make for perfect anchoring of female keys.
- The two-speed motor makes it possible to set the speed according to the material, thus obtaining high cutting precision and lengthening the life cycle of the cutter. Version with centering device.
