

ABUS Catena 6806K/110

Tootekirjeldus

Tradition meets innovative design: Abus Catena 6806K Chain Lock

Easy handling and high security, these are the most important features of the Catena 6806. As a chain lock, it finds its place everywhere, whether in a backpack, bag, under the saddle or on the frame of your bike.

The proven ABUS quality ensures perfect protection. The six millimetre hardened steel of the chain and the high-quality lock cylinder offer high security.

Features - Abus CATENA 6806K

- 6 mm thick square chain with textile sleeve that prevents damage to paintwork
- The chain is made of specially hardened steel
- Convenient compact transport by wrapping the chain around the seat post
- Good protection at low theft risk
- Recommended for securing entry level bicycles
- Very easy handling, because only one end of the chain has to be locked
