

TOOTENIMETUS	SOODUS	HIND
--------------	--------	------

Apply the ABUS Shock Chain 48946 (110 Black) and you will be able to protect your bicycle from damage to the frame, wheels and handlebars. It has many other benefits aside from its endurance. The hi-tech fabric is also durable and highly flexible, as well as being weatherproof and resistant to liquids. This prevents water from being absorbed by the fabric, thereby protecting the locks against corrosion. Its durability also means that there's no excuse for not securing your bicycle, even if the weather is bad and you worry about the lock getting dirty.
