

ABUS Booster 6512K/180

Tootekirjeldus

A light weight yet sturdy coil cable, the Booster 6512K features 12mm strong yet flexible inner steel cable. This lock is suited to low theft risk areas and is best used as a versatile theft deterrent and for quick stops.

The ABUS snap closure makes locking a breeze - no key needed to close the lock! Just snap it shut and off you go.

Nobody likes complicated installation and the 6512K takes it to the absolute next level of easy with its innovative SCMU bracket. It can be mounted to the bike without the use of tools in just seconds - saving you valuable time and effort. It rotates to allow the bracket to be mounted in multiple directions and easily accommodates a wide variety of frame shapes and sizes.

The lock is PVC-coated with an attractive matte finish that protects your frame's paint and the automatic key cylinder offers solid drill protection.
