

ABUS 1200/110

Tootekirjeldus

The ABUS Chain Lock 1200/110 is a low cost chain lock with security level 2 of 15 for situations where the risk of theft is rather low. The combination of numbers is factory set and included in the package.

Really practical in everyday cycling life: the 1200/110 chain lock from Abus

The chain of this ABUS lock is made of specially hardened steel and 4 mm thick. It is covered by a textile tube so that the paint will not be scratched anywhere when you attach your bike to a lantern, bicycle stand or other bike.

Features - Abus 1200/110

- 4 mm thick round chain with textile hose for protection against paint damage
- The chain is made of special steel
- Basic protection at low theft risk
- Recommended for securing low-range bicycles and children's bikes
- Convenient transport on the seat post tube
