

Võutmete lõikamismasin Keyline 204

Tootekirjeldus

- The 204 model is a professional key cutting machine for bit, double-bit, pipe and pump keys and for keys with vertical grooves.
- The movements of the carriage, due to the cross-shaped table system mounted on rolls, is extremely easy and precise.
- The two-speed motor makes it possible to set the speed according to the material, thus obtaining high cutting precision and lengthening the life cycle of the cutter.
